M. Dear Sirs,

With reference to your freeboard report on the S.S. "MARIA" (Messrs. Jonker & Stans' S.S. No. 130) I have to point out that the sheers at one eighth length from ends given on the report appear to be much too small in relation to the sheers at ends.

I accordingly <sup>by</sup>wired you to-day as follows, viz:-

"Steamer Maria check sheers one eighth length from ends  
"given freeboard report"

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ROTTERDAM.
