Belfast, 24th Feb 1905

Encls

Reference

The Secretary
 Sir

I beg to forward herewith for the consideration of the Committee, the Test-certificates of the Bower anchors which Messrs Workman Clark & Co propose to place in their ss No 221.

The equipment-number of this vessel is 41440 Letter X which gives the Rule weight of stockless anchors 56-1-0, 56-1-0 & 47-2-0. The weight of the anchors supplied is 56-2-0, 56-1-2 & 47.00.

From this it will be seen that the third bower anchor is 2 grs light and the collective weight of the three bowers is 26 lbs light and I respectfully request to be informed if this deviation from the Rule requirements will be sanctioned by the Committee.

Lloyd's Register Foundation
 W542-0145 1/2

In all other respects, The equipment as supplied is in accordance with the requirements of Table 22.

The approved Midship Section and Profile Plans are enclosed for reference.

I am Sir

Your obedient servant
E. J. Milton
