6th April, 1932.

Dear Sirs,

I am in receipt of your memorandum of the 24th ultimo respecting the steamer "AIKLEAF" and in reply I have to say that in view of the fact that this vessel is still laid up, the Committee have further deferred consideration of the case for the present subject to the Boiler Survey being held and the requisite repairs as recommended in your report No. 87614 being effected before she is again placed in commission.

I shall be glad if you will inform the Owners accordingly and at the same time obtain from them and forward to this Office a letter intimating that they will have this done.

You will also be so good as to inform the Owners that the Committee are agreeable to the survey of the screwshaft being postponed for the present.

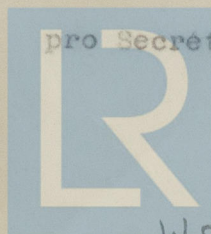

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.

pro Secretary.
