With reference to the classification in the Society's Register Book of the steamer "INVERURIE", I beg to acquaint you that I am in receipt of a letter from Messrs. The Anglo American Oil Co., Ltd., who state that the vessel has been disposed of to you, a condition of the contract being that she be broken up.

In the circumstances a notation of 'To be broken up' is being record in the Society's Register Book against the vessel's name and all particulars of classification will automatically be cancelled.
