2nd November, 1933.

Dear Sirs,

With reference to previous correspondence relative to the steamer "INVERURIE", I have to point out that the survey of this vessel's screwshaft is now due, and it is concluded arrangements will be made for this inspection to be held before the vessel recommissions, but I shall be glad to hear from you on this point.

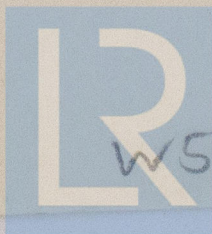

At the same time I think it well to point out that the Special Survey No.3 will become due at the end of next month.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
