Your Ref. H.

Secretary,
Register of Shipping,
Church Street,

We acknowledge receipt of your letter of the 21st,
and have to state that it is not intended to raise
the boilers until such time as the vessel is again
in commission.

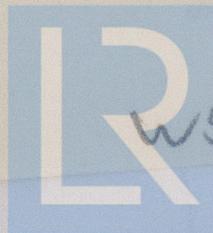

In any event it would be necessary to drydock the
before she recommenced trading and this would provide
opportunity for the boiler survey to which you refer.

We shall be glad to know that this procedure is in
with the Committee's requirements.

Yours truly,

ANGLO-AMERICAN OIL CO., LTD.
