18th December, 1936.

Dear Sirs,

M.S. "JOHANNA THORDEN".

E.

I duly received your letter of the 14th instant enclosing a copy of one from Svenska Elektromekaniska Industriaktiebolaget, Helsingborg, respecting the test record for the 9 HP bilge pump motor made by them for the above vessel, and have to say that the contents are noted.

In reply, I have to acquaint you that the test record will be accepted in this instance, but I shall be glad if you will inform the Firm that, in future cases, generators and motors are to be tested in accordance with Section 2, Clause 1, and Section 10, Clause 2 of the Rules.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

MALMO.

Secretary.
