

S.S. "GLITRA".

IT IS SUBMITTED the Newcastle Surveyors be advised that vessel left Leith on the 29th instant for Dunston and will reach the latter port on the 2nd April. They should be advised of the conditions of assignment which still require to be complied with. The freeboards given in the accompanying recent letter for ordinary and timber deck cargoes should be observed on the vessel's sides. They should forward verification forms C.12 (d) for the issue of certificates, together with a report regarding compliance with the conditions of assignment.

It is further submitted the Leith Surveyors be advised of the fee taken, and they be informed that the fee may now be paid.
