QUESTION.

With reference to your letter of the 4th May last respecting the above vessel, in which you stated that the work of demolition had commenced at Osaka, I shall be glad to learn, in view of your further letter dated 7th June in which it is stated that she is to be broken up at Yokohama, what actually are the facts of the case.

ANSWER.

Date:— August 16th 1934.--

Demolition of this vessel commenced in the Yokohama district in June. She was sold for breaking up purposes through the Shipbreakers Pool in this district, and we understood from them that she was actually being broken up in this district in May last, but this information was not correct.
