H. Gentlemen,

I have to acquaint you that the new steamer "BOETON" has been classed by the Committee subject to the safety valves of the main boiler being adjusted and easing gear fitted on the vessel's arrival at Amsterdam to which port she is proceeding from West Hartleppol, and I have therefore to request that you will give the case the necessary attention.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

AMSTERDAM.
