18th January, 1913.

Gentlemen,

I am in receipt of Mr. Ward's letter of the 17th instant relative to the first entry reports on the new steamer "BOETON", and in reply I have to say that if the machinery trials were satisfactory and the Special Survey of the vessel complete the first entry reports should be forwarded to this Office at once with a view to the classification of the vessel being completed and certificates issued as soon as any repairs necessary in consequence of the grounding are reported to have been satisfactorily carried out.

I am, Gentlemen,

Your obedient Servant,

Secretary

The Surveyors,

WEST HARTLEPOOL.
