Dear Sirs,

8.

I am favoured with your letter of the 27th instant respecting the steamer "PAPANUI", from which I note that she has definitely been sold to Japan for breaking up purposes, and that it is your intention to drydock her on or about 28th proximo.

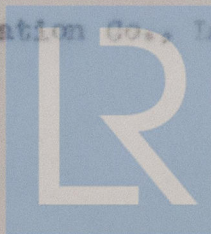

In view of the general examination which was recently carried out by the Society's Surveyors at Palmouth, the Committee will be prepared, subject to a satisfactory examination in drydock, to authorise an interim certificate to be issued for the proposed voyage to Japan.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
