# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

26th October, 1933.

Dear Sirs,

I have to inform you that I am advised by the Owners of the steamer "PAPANUI", which vessel is laid up at your port, that she has been sold to Italian purchasers for breaking up, subject to an interim certificate being supplied to enable her to take a non-perishable to Italy.

In these circumstances I have to request that you be good enough to arrange for a general examination to be carried out on the hull, engines and boilers, in accordance with Circular No.1605, as in the cases of other vessels owned by this Company.

You will be good enough to forward your report in due course.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

FALMOUTH.
