Sir,

With reference to Glasgow first entry machinery report No.29585 in the case of the Steamer "PREUSSEN", I have to say that it is concluded that a set of spare feed and bilge pump valves and assorted spare bolts and nuts have been supplied, but I shall be glad to be informed if this is so in order that the same may be recorded in the report.

I am, Sir,

Your obedient Servant,

Secretary.

The Secretary,
