The Secretary,

LONDON.

Dear Sir,

As required by your letter of the 21st instant, respecting the freeboard of the steamer "GERTRUD BRATT", we beg to acquaint you that 3 scuppers 21 sq. inches each are fitted each side of upper deck forward, 4 ditto each side aft and 1 scupper pipe 1½" inside diameter leading to the bilges in machinery space from each side of upper deck in way of the bridge.

Positions of scuppers are indicated on the longitudinal plan of vessel as built, which has been forwarded to you.

I am, Dear Sir,

Yours faithfully,

*G. J. Jensen*
