

BOARD REPORT on the

S. S. "Ansonia" Mercantile Ansaldo's No. 283.Freeing Ports in Bulwarks
on Upper Deck (C)

It is submitted the Genoa Surveyors be informed that in view of the fact that the draught is 4'-6" less than that of a complete superstructure vessel it will be only necessary to fit a limited number of freeing ports in the bulwarks on the upper (C) Deck, and provided 4 freeing ports 1000 mm x 400 mm be fitted on each side of the ship in the positions indicated on the plan, the same will be approved.

Plan to be returned
