Lloyd's Register of Shipping,

G E N O A.

8th May, 1926.

Messrs. Ansaldo, Westri Ponente.  
Yard No. 283.  
-----

Dear Sir,

I am forwarding under separate cover for approval 4 preliminary plans of this vessel which is to be built for the Societa Italiana di Servizi Marittimi, the vessel being rather larger than the "ESPERIA" which is not classed in this Society.

The vessel is intended to be classed also in the Registro Italiano.

As the position of the machinery space is not yet definitely fixed the present plans are submitted as preliminary plans to enable the scantlings to be looked into.

The vessel is intended to have a draft of 7.20 metres above the line of construction and the subdivision is to be in accordance with the London Convention requirements.

I am, Dear Sir,

Yours faithfully,

(Signed) N.G. TURNBULL.

The Secretary,

LONDON.
