For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

2nd DD No. 3

SURVEY PARTLY HELD.

When due

12, 38

When proposed to be completed

Portion of Survey held, &c.

Held on Machinery

The greater part of the 2nd S.S. No. 2, due 12,38, has been carried out.

Repairs are required to cargo battens, wood sheathing of tunnel and an indicator requires to be fitted to the watertight door.

In reply to enquiry, the Genoa Surveyors state that certain items which remain to complete the Special Survey were dealt with in April last by a Non-Exclusive Surveyor of the Registro Italiano, and they are informed by the Owners that the vessel is expected at an Italian port early this month and that an effort will be made to complete the Special Survey by the Society's Surveyors.

The year of grace expired 12,39.

It is submitted action might be deferred for a short time.
