11th August, 1920.

Enclosure.

Dear Sir,

I have to acquaint you that a letter has been received from Messrs. H. & W. Nelson Ltd., stating that they are informed by their Representative at Liverpool that a defect has developed in the Reduction Gearing of the S.S. "HIGHLAND WARRIOR".

In the circumstances it is considered that Mr. Easthope, under whose survey the machinery was built, should proceed to Liverpool, and that Mr. Dykes and Mr. Easthope should jointly survey the defect and report to the Committee.

I have accordingly telegraphed to you as follows:-

"Owners report defect in gear wheel Highland Warrior. Please arrange Easthope join Dykes at Liverpool make joint survey and report".

I am, Dear Sir,

Yours faithfully,

The Secretary,

GLASGOW.

LIVERPOOL.
