### RENEWAL SURVEY IN ACCORDANCE WITH SECTION 48 (4) OF THE ABOVE ACT.

(Port) Singapore.

(Date) 30<sup>th</sup> September, 1935.

I have to report that I have surveyed the tanker  
"SAXICAVA" of London O.N. 146636.  
on this date.

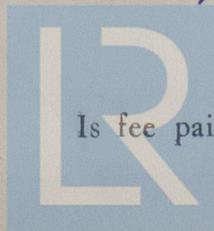

I have examined the arrangements on board the ship ~~with those given in the original freeboard report~~ and I have found ~~them to be in agreement therewith or equivalent thereto,~~ and the whole to be in efficient condition.

*This survey was held in conjunction with a Modified Special Survey for extension of classification for a period of six months beyond the year of grace. The vessel has been examined afloat and in dry dock and found to be in efficient condition.  
(A new short-term certificate has been issued.)*

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. 3038 dated 25<sup>th</sup> November, 1932 which is returned herewith.
