Enclosure.

29th August, 1939.

Dear Sirs,

I have to acknowledge the receipt of the following cablegram respecting the Tanker "PETERJO", viz:

"PETERJO OWNERS REQUEST TEMPORARY CERTIFICATE  
MARSEILLES TO SETE STOP EMERGENCY MEASURE  
STOP WIRE INSTRUCTIONS",

and in confirmation of my cabled reply, as per copy herewith, I may say that there will be no objection to an interim certificate on Form C being issued for the contemplated voyage as an unclassified vessel, provided the permanent or temporary repairs have been effected to your satisfaction (as per Page 10, Clause 11 of Instructions to Surveyors).

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

MARSEILLES.
