

Oil Tanker "PETERJO" ex "MARYAD"

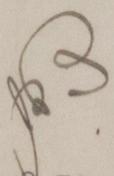

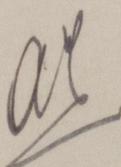

---

This vessel has been undergoing extensive repairs in Marseilles on account of damage by aircraft, and a reclassification survey is also being held (See previous correspondence).

The following telegram has now been received from the Marseilles Surveyor:-

"PETERJO owners request temporary certificate Marseilles  
"to Sete. Emergency measure. Wire instructions."

It is submitted the Surveyors be informed that there would be no objection to an interim certificate on Form C being issued for the contemplated voyage as an unclassed vessel, provided the permanent or temporary repairs have been effected to their satisfaction (See page 10, Clause 11 of Instructions to Surveyors).
