Received from Chief Ship Surveyor \_\_\_\_\_

VESSEL'S NAME Ste. S. S. "Ville de Paris" Report Bulk No. 1024

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey \_\_\_\_\_

First entry

It is submitted the Dunkirk Surveyor be informed in reply that the first entry report cannot be laid before the Committee with a view to the Classification of the Vessel until a report has been received from the Harve Surveyors stating that the openings in the decks over the Machinery have been efficiently closed. They were written to on the 28<sup>th</sup> September and requested to give the matter the necessary attention, and will be written to now and requested to forward their report immediately on the work in question being satisfactorily completed.

The Harve Surveyors should be written to accordingly.
