RECEIVED 28 SEP. 1903

ANSR

The Secretary,
Lloyd's Register of Shipping,
London.

Sir,

I respectfully beg to send by Commercial Papers Post the First Entry Report No. 1024 of the new steamer "Ville de Paris" built by the Chantiers de France.

The report on Electric lighting installation is annexed.

The approved plans being wanted for the sister vessel No. 6 now building, a copy of the approved midship section plan is sent with that Report.

I am, Sir,

Your obedient servant,
