Reference

The Secretary,

Dear Sir,

during my recent visit to London in connection with the "Millpool" enquiry I was given three days subsistence by the Commissioner of Wrecks, but owing to having to call at the London office before & after the enquiry, the Society kindly granted me five days subsistence for the extra period involved.

I have now been given another two days subsistence by the Commissioner of Wrecks & am therefore forwarding herewith a cheque for £2-10-0; being two days subsistence given by the Society for the same period.

I am, Dear Sir,

yours faithfully

Alex E Stevenson
