Dear Sir,

s.s. "Millpool"

/

We enclose herewith copy of a letter and enclosure which we have received from the Board of Trade Solicitor today, and we shall be glad to know whether we can inform him in reply that Mr. Watt is prepared to give evidence in accordance with the draft statement accompanying this letter.

If Mr. Watt considers it necessary or desirable to amplify or amend the statement in any way, will you kindly instruct him to do so as soon as possible, and return it to us with your reply.

As we informed Dr. Montgomerie at our interview this afternoon, we have arranged to instruct Mr. W.L. McNair to appear for the Society at the Enquiry. Mr. McNair is a Junior Counsel of great experience in shipping matters, and one upon whose judgment we should place great reliance in deciding the question whether or not the Society should in the course of the Enquiry apply
