Dear Sir,

In reply to your enquiry, I am glad to have to state that I surveyed the S.S. "MILLPOOL", afloat, on 17th May, 1932, for International Convention Freeboard Assignment, in course of which the hatch coamings, supports and hatches were examined and measured, and reported to you (on Form 8. 11. No. 88619) to be of the scantlings and in the condition as found by me on that date.

Yours faithfully,

*C. Stephenson.*
