Dear Sir,

S.S. "MILLPOOL."

With reference to your letter of the 17th April when you were good enough to send me certified copies of reports of Surveys held by the Society's Surveyors on the above-named vessel since October 1931 inclusive, I should be much obliged if you would be so good as to let me have half a dozen copies of these Surveys and to inform me what their cost will be.

I think that it would be useful if you would permit me to show these Survey reports to the Solicitors appearing for the other parties, as it would seem from what occurred in the Inquiry into the loss of the "USWORTH" that if they are allowed to consider the Survey reports they will probably not put us to the trouble and expense of calling the Surveyors who made the reports to prove them formally.

Yours faithfully,

*M. Mont.*
