13th April, 1935.

Dear Sir,

S.S. "MILLPOOL."

As you know, this is one of the vessels into the loss of which the Board have ordered a Formal Investigation. It would be a great help to me if you could let me have copies of all reports of surveys from and including the last special survey in October, 1931.

I should also like to have the Surveyors' reports if they are available in regard to recommendations made for repairs and renewals (hull, machinery and equipment) from and including the last special survey in October, 1931, and also reports showing whether all the recommendations were carried out.

Yours faithfully,

M. Holt

For Solicitor,
