Sir:-

S. S. "ORCHIS"

This steamer of ours was registered on
January 22nd 1918, whereas in your register, she appears, as being
built in August 1917, and we write to ask if, she can appear in your
register, as being built in January 1918, as of course she was
really a steamer until she was registered at the Customs.
Because of the delay of getting the boat away was waiting for the
machinery, which was held up owing to the war, and we will be glad
if the above can be placed to meet our wishes.

Yours faithfully
