10th November, 1933.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 18th ultimo relative to the steamer "KAGA MARU", and in reply I have to say that this case has received consideration today, and that in view of the fact that this vessel is still laid up, and of the Owners' intimation that all overdue surveys will be carried out before she is again placed in commission, the Committee will be agreeable to the Boiler and Port Screwshaft Surveys being postponed for the present.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

KOBE.
