11th May, 1934.

Dear Sirs,

H.

With reference to the 3rd Special Survey No.1 which became due at the end of April 1931 and has been partly held on the steamer "JUGOSLAVIJA", which vessel has been laid up at Sibenik under the usual undertaking, I have to acquaint you I am in receipt of a report from the Society's Surveyor at Split from which it appears that this vessel has been examined in accordance with the terms of circular No. 1605, and an interim certificate issued for the voyage to Genoa for breaking up.

In the circumstances I shall be glad if you will give the case attention and advise me immediately the work of demolition is commenced.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

GENOA.
