12th April, 1902.

Dear Sir,

I duly received your letter of the 9th instant respecting your steamer "INDRASAMPA", and in reply thereto I beg to acquaint you that it is not considered necessary that the vessel should be submitted to examination by the Society's Surveyor at Hong Kong, but provided it be arranged for the examination in question to be made on her return to the U.K. the same will be considered satisfactory. I shall be pleased to learn that you are agreeable to this course.

I am, Dear Sir,

Yours faithfully,

102

Secretary.
