S.

Dear Sir,

With reference to the classification in the Society's Register Book of your Steamer "INDRASAM<sup>MA</sup>", I beg to acquaint you that the Committee have had before them today a report from the Society's Surveyor at Singapore on repairs effected to the vessel there after having experienced very heavy weather, and with regard thereto I have to say that it is considered a further examination of the vessel should be made by a Principal Surveyor to this Society upon her return home, and I shall be obliged if you will kindly state when and at what port it will be convenient for you to have this done.

I am, Dear Sir,

Yours faithfully,

.B. Royden, Esq.,

Secretary.
