The Secretary,

Sir,

I beg to acknowledge the receipt of
your letter dated February 6th 1902 confirming
your telegram of the 7th ulto in regard to the
S.S. "Indrasamudra" and would like to state that
I have done my best to carry out the instructions
contained therein.

The Master & Agents acting upon advice
from the Owners requested that permanent
Iron beams be fitted as the vessel was
not to be home for some considerable
time. I therefore thought it my duty to
recommend the repairs as stated in the report
which I forward by this mail.

Hoping that my action in this matter will
meet with the approval of the Committee

Yours Obedient Servant
J. W. Webb
