Dear Sir,

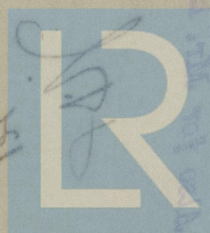

s/s "Indrasamba".

I am obliged for your favor of the 10th inst, and note the cables that have passed between the Society and your Surveyor at Singapore in connection with the above steamer. I beg to enclose a copy of a cable received today from the Captain, and as the matter is important I propose to send my representative to call upon Mr Cornish tomorrow morning with a view to settling what is to be done.

I am very averse from making only temporary repairs.

Yours faithfully

T. B. Royden.
