Singapore, 6th March, 1902.

The Secretary,  
The Salvage Association,  
19, Birchin Lane,  
LONDON, E.C.

Dear Sir,

S.S. "INDRASAMHA".

We are in receipt of your favour of 7th February, contents of which have our attention.

We trust that the evidence furnished by the survey reports already forwarded is sufficient to meet your requirements. It would not be easy to get further evidence, from Surveyors, because there are practically no further Surveyors in the port whom we would care to employ in a matter of this sort.

We enclose copy of the "INDRASAMHA" protest, which practically embodies the log extracts for which you asked. This, taken in conjunction with the survey reports, appears to supply further evidence in the same direction.

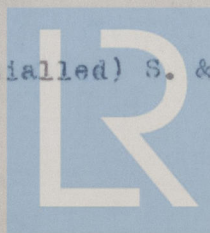

We are, Dear Sirs,

Yours faithfully,

(Signed) Syme & Co.

P.S. The steamer was to be finished today. We have not yet heard that she is actually finished.

(Initialled) S. & Co.
