12th March, 1925.

Dear Mr. Ward,

I am in receipt of your letter of yesterday's date in regard to the enquiries which have been made of you by Mr. Macron, of the Cie. Auxiliaire de Navigation, concerning the s.s. "LIMNEA".

I have at once looked into the matter, and I find that the information which Mr. Macron has received as to the vessel having been at sea in the early months of 1921 must be inaccurate. The vessel was actually launched on the 2nd September, 1921, and the survey for classification was completed in October, 1921, so that the date of build recorded in the Register Book, viz. 10.21, is quite correct.

With kind regards,

Yours faithfully,

R. J. L. Ward, Esq.,

PARIS.
