Dear Mr. Redman,

Mr. Macron, of the Cie Auxiliaire de  
Navigation, has enquired privately respecting the S/S,  
"LIMNERA", No 75759 in the Register Book.

They are rather interested in the vessel  
for some reason or other and they have been informed  
that she was navigating in the early months of 1921,  
whereas the date of construction is indicated as October  
of that year.

They enquire whether there is not an  
error in the Register Book in respect to the month  
theregiven.

I must apologise for the trouble I give  
you for such a little matter, but, as you are aware, our  
relations with these people are very cordial and they  
will appreciate any help we may give them.

*With kindest regards*  
Yours faithfully,

*Edward*

C. F. REDMAN Esq.
