Lloyd's Register of Shipping.

When a vessel is surveyed, the Surveyor should be reported in detail and the name of the vessel should be stated. The name of the vessel should be stated in the margin of the report, and the name of the vessel should be stated in the margin of the report. The name of the vessel should be stated in the margin of the report, and the name of the vessel should be stated in the margin of the report.

The Surveyor has not made a special damage report H U L L. to state whether he
to this purpose and to w Port they were declined

3rd November, 1939.

REPAIRS, OR EXAMINATION AS PER RULE, FOR

of the vessel over a submerged object which struck

port side in several places, before clear, whilst on

This is to Certify that I have

Surveyed the s.s. "LONDON TRADER", 646 tons gross of London,

whilst lying afloat in the Humber Dock, Hull, on account of the

alleged passing of the vessel over a submerged object which struck

heavily on port side in several places, before clear, whilst on

voyage from Middlesborough to Hull,

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report, stating that all repairs

recommended by me have been completed to my satisfaction, and

that I have recommended that she be continued as now classed

without fresh record of survey, subject to the vessel being dry

docked for further examination at the first convenient opportunity.

being fit to carry dry and perishable cargoes.

Have any repairs been examined internally?

Have any repairs been examined?

General Observations, Objections, Recommendations, Etc.:

This vessel, so far as is known, is in an efficient condition.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."

(Cert. B.)—10m.7.36.
