19th June, 1935.

Dear Sirs,

With reference to the 2nd Special Survey No.2 which became due at the end of January 1933 on the steamer "TWICKENHAM", I have to acquaint you that following a satisfactory general examination at Newcastle, the Committee have agreed to the vessel proceeding with a cargo of coals to Italy, where it is understood, after discharging, she will be broken up.

I shall be glad therefore, if you will keep the case in mind, and advise me as soon as the work of demolition has commenced.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

GENOA.
