The Secretary,
L O N D O N .

Sir,

In reply to your note on the classing letter of the 8th instant, relative to the report on the superheaters of the S.S. "KATHLAMBA", Central Marine Engines No.825, I have respectfully to state that before going on leave of absence I placed the report in question among the forging reports, the superheater report being written on a blue forging form, I think you will find it among them.

I am, Sir,

Your obedient Servant,

James Innes

P.S. The enclosed casting report for the S.S. "KATHEAMBA" came to hand this morning.
