

Received by Chief Ship Surveyor 17. 3. 02

Received from Chief Ship Surveyor

VESSEL'S NAME Steel S. S. "Sloterdijk"

Report Hpl. No. 11784

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Nature of Survey

1<sup>st</sup> Enquiry.

It is submitted that before this case receives the consideration of the Committee, the Surveyors' attention should be drawn to the statement on their report viz: Ceiling in holds 2½" W. pine, under hatchways and in wings. They should be informed that when this is the case, the Committee require that the written consent of the Owners must be obtained to the same, and they should be requested to <sup>obtain</sup> forward this, and forward the same to this office.
