Dear Sirs

With reference to the  
Hawsers supplied to our J. S.  
Scripaw which are  $5\frac{1}{2}^{\text{in}}$  &  $4^{\text{in}}$  in  
circumference. We are quite  
willing to ~~let~~ let them stay as  
they are in line of  $6^{\text{in}}$  &  $5^{\text{in}}$  as  
required by Table 22 of the Rules.

Yours faithfully.
