BREMEN.

15th March, 1933.

Dear Sir,

Having reference to your letter of the 10th instant relative to the steamers "GERRAT" and "GERMAR", I beg to inform you that these vessels have not been sold to Russia and that there have not been any negotiations for that purpose. I have been informed by the Hamburg Surveyors that it is stated by Messrs. Rederei-TreuhandGesellschaft, Hamburg, that these vessels are owned by them and that they will be broken up in the course of this year.

I am, Dear Sir,

Yours faithfully,

(Signed) A. Carstensen.

The Secretary,
LONDON.
