| | <p>With reference to the classing letter addressed to you on the 31st May last, I shall be glad to learn as this vessel appears to have arrived at Bremerhaven on the 30th ultimo, how this case stands.</p> | <p>Date:— 17th August, 1932.</p> <p>This vessel is at present laid up at Bremerhaven. Regarding the completion of the Second Special Survey No. 2 no definite statement could as yet be obtained from the Owners as they are considering the question whether she will at all be put into service again, or be broken up. If the vessel is put into commission again, everything is arranged to complete the s.s. No. 2. As soon as I know what decision has been reached, I shall inform you of it.</p> |
