Dear Sir;

I have to acknowledge receipt of your letter of the 13th Inst, and have to state that all repairs to the bottom and side plating referred to in New Orleans reports No 2111 and 2200 on the steamer "RAMA" were completed.

I am forwarding copies of approved plans of the alterations now carried out on the above steamer and also on the "MANAGUA" It is also pointed out that additional recommendations as contained in wire of approval were carried out as follows.

- 4 " X 3 " X 38 intermediate beams fitted to tank top.
- New stringer angles 6 " X 6" X 50 and backing up brackets.
- Web frames fitted in twin decks over bulkheads and transverse swash bulkhead. Trunks fitted for access to tank.

Yours Very truly.
