

COPY FOR LONDON OFFICE.

Lloyd's Register of Shipping.

Port New Orleans.

February 2nd, 1922.

This is to Certify that I have

Surveyed the Steel twin screw steamer "RAMA" 1577 tons gross
register of New Orleans, in dry dock at this port.-----

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction, and
that I have Recommended that she be Continued as classed

Al Gulf of Mexico and Carribean Sea, with record of survey 1-22
and have notation of fitted for oil fuel 1-22 F.P. above 150
degrees Fahent.-----

being fit to carry Dry and Perishable Cargoes.-----

John A. Robson
Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that—

While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood
either the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or
note issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of
omission, default, or negligence of the Surveyors, or other Officers or Agents of the Society.
