56, John Street,

Sunderland, 12th August 1905.

LLOYDS REGISTER
LONDON.

REC^d 14 AUG 1905

ANS^d

The Secretary,
Sir,

In reply to the query contained in your letter of the 11th inst. I beg to inform you that on enquiry I find that a complete steel deck was fitted on the S.S. "Madrid."

The particulars given on the 1st Entry Report are correct but the deck plan should have been altered in respect to the complete steel main deck.

I am, Sir,
Your obedient servant
Robert Howie
