Enclosures.

Dear Sirs,

I have to acquaint you that it is understood that the Tankers "BRITISH ENSIGN" and "BRITISH RENOWN" are expected to arrive at your port about the 24th and 31st instant respectively when the Owners desire the necessary surveys for Convention freeboards to be carried out.

I shall be glad if you will give these cases attention and forward full particulars on Form C11.

I am enclosing herewith forms giving particulars extracted from the freeboard reports on these vessels.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
PALMOUTH.
